“ I had the opportunity over the years to get to know Carole at the courthouse. She always had an infectious smile and wonderful attitude. Just a good person, and devoted to her job. A few years ago I bumped into her at Presentation Academy. I truly enjoyed the conversation. My thoughts and prayers are with her entire family.

“ To: Denise and family
Our sincere sympathy as you grieve your beautiful Mother's death. Our SCNs and friends speak of all that she contributed to the life of Presentation Academy for years. You certainly inherited her gifts as you were one of the most creative young aspiring teachers I ever taught and watched as you grew to the fantastic teacher you are. I know she was so very proud of you as well as all of your siblings. Our prayers are with you and family.
