“ Gary and Colleen, I'm so sorry for your loss.

It's been a long time, but Cary had such an impact on my life and I'll always be grateful to have had her as a close friend growing up. Even as a kid, she had such an energy about her - she just drew people in with her welcoming and radiant personality. She will be greatly missed.

You'll be in my thoughts and prayers.

With love,
Melissa Nichols

“ Cary's smile will forever be in my heart. Her personality and charm were something truly special and anyone that knew her, couldn't help but love her. I was fortunate enough to have met Cary while working together at Budweiser. I always admired her confidence, intelligence and wit. She was a warrior through and through in every aspect. To Cary's family and friends, my heart is with you and I pray that we find peace in the fact that she gave so much light to everyone and that is a light that will shine forever . Xoxo Jenna

“ Cary, you were the most beautiful, positive, bright, determined and comforting soul I've ever had the privilege of calling my friend. I'll never forget our times together and I'm so thankful you were in my life.
No one will ever take your place in this world or in our hearts.
I'm a better person because you were in my life.
My heart is so heavy and sore. But I know my love for you will heal this pain with time. I love you sweet girl. #sisttermoms #bff
