“ Thank you for sharing your life with so many. You always made me feel welcome, always created a sense of family, always shared, set an example of what a man with the right heart should be, made me laugh. You were legit one of a kind. You did so much for so many. Every man who has ever met you knows you were the real deal, and hopes they could be half the man you were. You will be missed always till we see you again. Thanks for the memories and all the good times and laughter you provided for so many and the example you set . Your family is in our prayers.

“ I'm so sad to hear about Timmy. I've known Timmy since I was a teenager. I remember when I was younger, when Gwen and I wanted to run around the park, if Gwen's grandpa didn't give us a chewing out about running around the park, Timmy would give us a chewing out. He was trying to protect us young girls when we were younger. He always was so kind to us and always had a smile on his face. I will miss seeing him at the family gatherings. Timmy was a role model for how men should really be. I will miss him and his beautiful smile. I'm glad he is at peace and find comfort in knowing he will no longer suffer. Fly high Timmy, because I know you are a beautiful Angel now. I also want the family to know that I'm so sorry for their loss. Timmy was a great man, and great men are hard to come by these days. You all are in my thoughts and prayers. Love you all!!!!
