“ I will forever remember Doug as little Dougie Cave who lived next door to us on Tealeaf Court in Fern Creek. He, our son Rich and Michael, another little friend, were constant play pals in the late 1960s and early 70s. I love Dougie's silly grin in this picture!

Jo Ann and Harley, my heart aches for you. I know you will miss him terribly and treasure the memories of such a special son. Doug was truly a gift from God.

“ It was friend/love at first sight when Scott and I met Doug. We shared so many wonderful times together, either having lake effect beers, sipping burbon and having a smokie, smokie (cigars) to travels to Sandusky, OH and Key West. He was a brother to both me and Scott. To say we are crushed is an understatement. We continue to pray for the Cave family and friends. We are missing you dearly "special frien". Scott has lost his best friend. Enjoy your heavenly lake time! Until we meet in heaven! God speed!

“ We struck up a friendship at Audubon Hospital in 1983. We became immediate friends and my life changed. He opened up himself and his friends to me and my wife Toni. His sense of humor, love for his family and friends, loyalty and integrity surely shaped all our lives. Thanks to mom and dad for raising such a great person, we love you Doug.

“ I worked with Doug at Caretenders many years ago. He was a great friend and a great guy. We teased each other on a daily basis, but were always there for each other.

“ Doug was a great frien! I often greeted him as “What’s up trouble?” but only as an inside joke. He was deeply loved by his family and friends. My husband and I spent several nights by the fire sipping bourbon at the Amrein’s with Doug. Those memories mean so much! Life is short- live life to its fullest!

“ I went to school with Doug from the time the family moved to Indiana (3rd/4th grade) until we graduated high school. We shared a lot of good and bad memories and now I'm heartbroken that one of my best guy friends is gone. I look forward to hearing that contagious laugh again on the other side. Until then, Fly High Doug. I miss you Sissy.

“ Some of my earliest memories are of Doug. My first memory was asking him how old he was he held up three fingers and said “I'm free”. What a great friend he was to grow up with. We grew apart over the years, but every time we spoke we picked up right where we left off. He was a good honest man that would do anything for his friends. I'm heartbroken over his death. My thoughts and prayers for the family. He will be missed.
