“ I have known Joni for about 50 years and she was a dear person who cared so much for others. My memories are full of the laughter and fun we had in our younger years. Truly cherished memories.

“ I actually never met Joni, but I know John from work he has done for me. The love in his voice when he spoke of Joni and his daughters spoke volumes, and I grieve with them for the loss of so vital and sweet wife and mother. Please accept my condolences.

“ Aunt Joni you will be so missed! I will never forget your thoughtfulness when I lived down the road from you & Uncle John, you'd invite me to family dinner or a dinner party with the Aunts & Uncles, you always sent me home with leftovers. I will miss sharing a love for bourbon with you & your delicious whiskey sours, I even drank one in your honor the other night. Most of all I will miss our shared Birthday/Anniversary texts & calls. Love you Aunt Joni!
