“ Larry was a great order writer for Meijer's Grocery dept. I has been with Meijer for 19 years and remember Larry when I first met him. Back then, things were different than they are now. I remember when he was in deep thought, how he tilted his head downward, looking at you through his glasses. He was a hard worker and dedicated to doing his job the right way. I can still visualize him in my memory, the way he was back then. Larry, until we meet again.

To his family and friends, I am so very sorry for your loss. He was special to be around.
