“ Tubby thank you for always being there for the boys. We all loved you very much. I will always refer to you as my mother-in-law, divorced or not. You and Gary will always have a special place in my heart. I miss our garden and working in the yard with you. You were such a big part of my life and I will miss you. I know papa was at your side waiting to take you home. Now you can both be together again. Love you...Becky

“ My heart goes out to Mary’s family during this difficult time. I got to know Mary at Regis Nursing Home where she was two doors down from my Mom. There they called her “Tubby” a childhood nickname.
The past few months have been a very difficult time for families who have loved ones in nursing homes. I understand very well the heartbreak your family is feeling from your loss and that special feeling a simple touch, a kiss, and a hug can make. God Bless Mary she is in heaven, no more suffering. My prayers and heartfelt sympathy to all the family.
