

## Patrick Gregory Bayers II

September 12, 1993 - December 29, 2019

Patrick Gregory Bayers II, 26, of Fullerton, CA passed away Sunday, December 29, 2019 in Las Vegas, NV.

During his lifetime, Patrick made a profession of faith in Christ Jesus. Through his words and actions we believe that he was saved by grace through faith and is now with his Heavenly Father. Born in Louisville, KY, Patrick worked as an IT Analyst for O'Neill La Jolla Group, Irvine, CA and was a graduate of St. Xavier High School and Biola University.

Left to cherish his memory are: the love of his life, Jenna Lee White; father, Patrick Gregory Bayers; mother, Donna Lynne Bayers; sister, Anna Leigh Scanzillo and husband, David Anthony; his grandparents, Donald and Beverly Bayers; and his step-brothers Joel Lucas Robinson and Micah James Robinson.

Patrick's visitation will be Friday, January 10, 2019 from 4-8 pm at Ratterman and Sons Funeral Home 3800 Bardstown Rd and also Saturday from noon until 2 pm at his church with the funeral starting at 2 pm Saturday, January 11, 2019 at Eastern Gate Baptist Church 3699 North Preston Hwy in Shepherdsville. Burial will be at Brookland Cemetery.

In lieu of flowers, monetary donations may be made to Sunrise Children's Services in Patrick's honor. Patrick always really loved kids, so instead of your money going towards flowers that will eventually die, we believe he would love for you to use that money to help some children in need. Thank you.

“ Patrick was someone who made your day brighter just by sharing a short conversation or telling a story or joke. He was encouraging, warm-hearted, and he will be missed. Thank you for always stopping and talking with me whenever we had the chance in college. Your friendship meant so much to me.

“ Patrick had such a kind and patient heart! His presence was lighthearted and joyful. Such a pleasure to be around... yet unexpected for a guy who only wore all black and worked in IT haha. Just kidding. I know he's laughing about that comment right now.

We had a little memorial for him at work today. It still doesn't seem real. I feel like he's going to walk past my desk at any minute, on his way to get coffee or fix our lovely printers haha.

I'll miss his smiling face. He was my brother in Christ. We bonded over our faith, our love for coffee, and also cats ha. One of my favorite memories is with him and Jenna at our company Christmas party where Patrick shared a video of him making his kitten dance. We laughed for a solid 5 min because Jenna said he did it all by himself! Staging his phone camera up for the perfect angle and then holding his kitten's arms up to dance. It was priceless.

I don't understand why Patrick had to leave this life so soon, but I do trust that God is sovereign over all and will not waste the pain and suffering of losing him. He will use it for good! I also trust that Patrick is living it up in Heaven right now...with all the cars, coffee, and cats he could ever ask for haha. So He's in good hands.

I know you've probably heard this a million times, but Jenna and The Bayers family, I'm praying for you! Hang in there and hang on to God. For He's the only true comfort! Patrick, I love you brother and I'll see you Heaven.

“ Patrick was one of the most epic guys I have ever met. I am grieved that he is no longer with us. I loved working with him and talking about off road Toyotas'. Like you all know he always had a big smile on his face and something interesting to tell you. He really did carry the love of Christ with him everywhere he went; the joy of the Lord was always radiating from him. It is never easy to lose someone you care about. It is much harder to lose someone who isn't a fellow Christian. I know I will see him again and that he is now made whole in eternity.

I will continue to miss you in the life my friend. You are a saint. I know you are up in heaven hanging with Jesus right now. I am stoked to be up there with you one day. I will continue to pray for your family. I pray that God would encounter them in this season with dreams and visions of hope. I will be praying for Jenna that she finds peace in God with all of this.

Jenna God loves you just like he loves Patrick. Jesus is with you as your comforter and your friend. Only He has the answers to the things that we can't understand. Even when we don't see Him or feel Him He is working. He is always working in everything. He is the Way Maker, the miracle worker and the light in the darkness. Turn to Him in this season! He is grieved by what you are having to walkthrough and He wants to be there through it all.

“ The short time that I worked with Patrick was enough to know that he was a kind and caring person. Always offering help and support to make the days at LJJ go smoother. There was never a day where he didn't have a smile on his face or a quick random quip about it being Monday. His passion for IT and the world behind it was there and I was always impressed at the knowledge he shared with me. Aside from work, our team lunch outings were always that much better with his presence there – never a dull moment he didn't fill up with a witty comeback or random fact. I can say that everyone here in the office misses him dearly and are saddened by the sudden loss of a wonderful human being. My heartfelt sympathies to his friends and loved ones.

“When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.” Kahlil Gibran

Take care Patrick, we'll remember you – always.

“ Patrick was part of a "CGroup" of roughly 20-30 high schoolers that I helped lead. We would study God's word and fellowship together on Sunday nights! I am blessed to have shared that season of life with Patrick and so many young people. Patrick was one of the kindest, thoughtful young man I ever met. He was very special! With deepest sympathy it is my prayer that Patrick's family and friends will feel the comfort of God's loving presence and find some peace in that.
