“ A New Life

Our loved ones don't die; they start a new life instead!
They haven't left us; they've just gone on ahead!

We will miss and grieve them, while we're still alive
But they're waiting, with open arms, for us to arrive!

The emptiness and pain, in our hearts, is hard to bear
But their loving memories will comfort us there!

We must look to our family and friends, to lend a hand
And help us on our journey, 'til we leave this mortal land!

Our love still grows for the special people we miss,
Because we still feel the warmth of their touch or kiss!

So, you see, they are still with us in so many ways,
And their love will give us strength 'til our final days!!

Thank you for sharing all your friends with me. I love you so much, even though my heart aches I know you're pain free, I find comfort in that. Love you!
